

**1st TAXONOMY COURSE OF POLYCHAETES - BENTACS
BENthos TAXonomy CourseS**

Stazione Zoologica Anton Dohrn, Naples, 24 October – 28 October 2022

APPLICATION FORM

Please fill this form and renaming it with your name and surname.
Then send it and your Curriculum Vitae as attachments by e-mail to motax@szn.it.

Applications should arrive not later than **15 June**

Acceptance will be notified within **15 July**

Registration and **payment** from selected participants are due by **30 July**

1) Personal data

Name:

Nationality:

Date of birth:

Institute:

InstituteAddress:

Telephone:

E-mail:

2) Present position and duties

3) Research

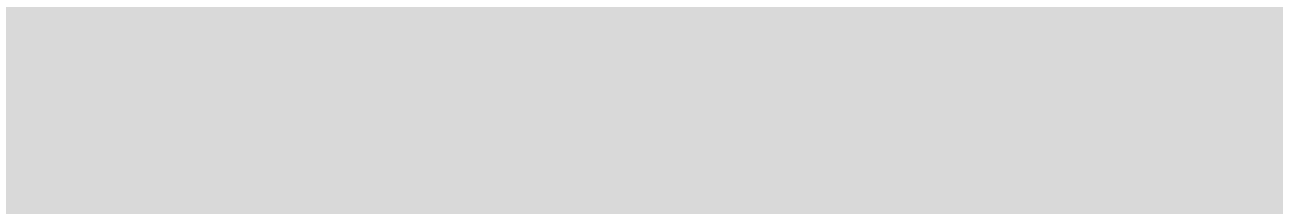

What are your current research projects and how much taxonomy do they involve?

4) Practical experience

The course includes a considerable amount of time (more than 50%) dedicated to the examination of polychaete specimens by light microscopy and it is recommended for researchers who already have a good familiarity with the identification of benthos species in natural samples.

Please provide a clear description of your experience in taxonomy and identification of polychaetes. (e.g.: How many years of experience do you have? Do you have experience in some specific families or genera?)

5) Languages

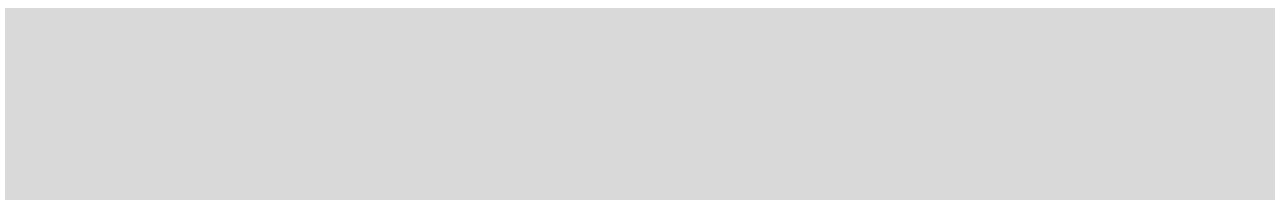

Mother tongue: 

English:

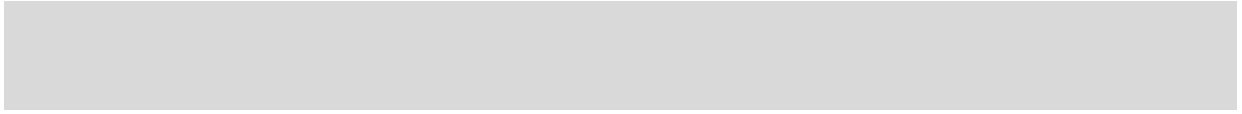

6) Why are you applying for the course and how will you benefit from it?

We would like you to address – amongst others – the following points:

- Are you currently involved in programs requiring specialistic polychaete knowledge?
- Will you have the possibility to spread the gained informations among other people in your group/institution and how?
- Are you involved in teaching activity (e.g.: university, advanced training)?

7) Please provide name and address of 1-2 referees familiar with your professional achievements

8) Curriculum Vitae (attached)
