

Emanuela Buschi

Born in Senigallia (AN; Italy)

Tel: +39 0721 802689 (SZN in Fano Marine Center)

e-mail: emanuela.buschi@szn.it

skype : emanuela.buschi

Current position : Post Doc

Department in Ecosustainable Marine Biotechnology,
Stazione Zoologica Anton Dohrn,
Fano Marine Center,
Fano (PU), Italy

Education/Training/Experience

Institute and Location	Degree / Function	Year	Field of Study
Polytechnic University of Marche (UNIVPM), Ancona, Italy	Master Degree	2011-2013	Marine Biology
Department of Life and Environment Science (UNIVPM), Ancona, Italy	Scholarship	2014-2016	Marine Biology and Ecology
Department of Life and Environment Science (UNIVPM) and Stazione Zoologica Anton Dohrn (Napoli)	Ph.D.	2016- 2019	Marine Biology and Ecology
Department of Life and Environment Science (UNIVPM), Ancona, Italy	Post-doc	2019-2021	Marine Ecology/ Environmental Sustainability
Stazione Zoologica Anton Dohrn (Fano Marine Center)	Post-doc	2021-present	Marine Ecology/ Environmental Sustainability/ Bioremediation

Appointments and awards

2014: Winner of Rotary Club Ancona Degreee Award 2014 with the thesis titled "Relationship between trophic status of marine sediments and meiofaunal diversity along the Northern Adriatic coasts". Supervisor: Prof. Antonio Pusceddu.

Students' supervision

Co-supervisor of a master's thesis in Marine Biology at the Polytechnic University of Marche (2020): <https://tesi.univpm.it/handle/20.500.12075/8244>

Teaching support for the course “Field practices: marine monitoring” at the Polytechnic University of Marche, from 2021 to present.

Laboratory tutor for “Marine Biology” and “Marine Ecology” courses at the Polytechnic University of Marche, from 2017 to 2019.

Others

Partecipation in different project: LIFE Sedremed (2021-present); PON PlaCE (2019-2021); PNRA DEMBAI (2016-2018); FIRB HI-BEF (2014-2016).
